# eBook Archive Collection

## Karger's eBook Archive Collection (Series)

The eBook Archive Collection includes long-standing book series like Key Issues in Mental Health (166 titles since 1917, of which around 100 titles are out of print now), Chemical Immunology and Allergy (since 1939), Current Problems in Dermatology (since 1959), or Progress in Respiratory Research (since 1963).

**Series Collection\*:** 1,279 titles  
**Collection Price:**  
CHF 25,000 / EUR 25,000 / USD 25,500

## Karger's eBook Archive Collection (Non-Series)

Important non-series titles in the eBook Archive Collection are, for example, the proceedings of the First International Congress on Allergy (1952) or Walter Pagel's Paracelsus (1982), a reference title still very much in demand. More than 100 titles are no longer available as print books.

**Non-Series Collection\*:** 549 titles  
**Collection Price:**  
CHF 12,000 / EUR 12,000 / USD 12,400

## Karger's eBook Archive Collection (German)

The eBook Archive Collection includes 626 titles in German, going back to the first Karger book published in 1890, the Geburtshülfliches Vademecum. Around 240 titles of this collection are no longer available in print.

**Non-Series Collection German:**  
626 titles  
**Collection Price:**  
CHF 10,000 / EUR 10,000 / USD 10,500

\* To ensure both Series and Non-Series Archive Collections are complete some complementary foreign language titles are included. Please find a detailed list of titles of the 'Karger eBook Archive Collection' in the section eBook Collections Information Download.
